Granite Golf Club Appoints Phil Scully as General Manager

With great pleasure the Board of Directors of Granite Golf Club would like to introduce our newly appointed General Manager, Phil Scully. Mr. Scully joined the maintenance department in 2001 and took over the role as Club Superintendent in 2006. He has worked tirelessly for many years delivering outstanding golf course conditions and providing his staff a work experience that is second to none. Many of his former staff members have gone on to other Clubs and have enjoyed success in their endeavours due to the mentoring and effective training he provided. The promotion to General Manger is a natural progression in his already stellar career.

In a letter to the members, the Board of Directors had this to say “Phil is very well respected by the management, staff and the membership at GGC. He demonstrated clear thinking, a thorough, systematic approach to problem solving and a passion and a curiosity that separated him from the other candidates. Phil’s vision for the future of the Club is inspirational - to make Granite Golf the GTA’s top private golf club in every aspect of its operations.”

Upon his appointment Mr. Scully stated to the members “Over the past 18 years, I have led the Maintenance Department with a relentless drive to deliver the best golf course conditions available and make our members proud. To have been made your new GM is a professional honour for me beyond compare.”

Mr. Scully will assume his new role on January 7th, 2020. The Board of Directors, Members and Staff of Granite Golf Club are all very excited for the future of the Club under the direction of their new General Manager.
